Worship Helpers Needed

Worship Helpers Needed: In order for worship to run smoothly, each week several volunteers are needed. If you haven't volunteered before, go ahead and sign up. These jobs are easy. We'll get you trained. There is a particular need for ushers. Join the fun! Our website it now filled up with opportunities through April, so you can look ahead. Going forward you'll be given the opportunity monthly to sign up and then special coordinators will help us to fill the remaining holes. If you can help coordinate ushers, please be in touch with Pastor Seth

Daily Email Devotionals and Conversation

Each day (Monday through Friday), Pastor Jenn and Seth write a brief daily email devotional that is sent out via email. The scripture texts for these reflections are based on the daily lectionary, designed to tie in to and build upon the readings from the Sundays. If you'd like to receive these and are not currently, please send an email to office@allsaintspalatine.org. For those interested, we also have a conversational component. You can also read the devotionals at <http://aslcdevotions.blogspot.com>. Here, you can also leave comments either for the pastors or for other members and reflect

*Congregation helps PADS guests take the chill off
winter*

Members of All Saints leveraged a \$250 Thrivent Financial Action Grant in late January and took the chill off winter for guests in our PADS shelter—big time. Thank you for your generosity.

Donations nearly doubled the grant dollars and provided the money needed to buy a handful of guests new thermal underwear (everyone who stayed in the shelter in late January and early February was offered the opportunity to get new long-johns); others got new gloves, hats or scarves. As important as the winter gear that has been distributed this season is the stockpile of clothing items acquired with the funds that will be available in the future.

The PADS Warm Winter activity combined an appeal to the congregation through an insert in the Sunday bulletin with a special event between worship services on Feb. 1. Members of the PADS Leadership Team served hot cocoa with marshmallows, in addition to coffee, long-john pastries and other doughnuts and talked with members about All Saints ministry to the homeless. The shelter will be open every Saturday through April 25. To learn how you can be involved with this ministry contact one of the Co-Site Directors, Monika Fiedler or Tom Germuska, or send an email to PADS@allsaintspalatine.org.

All Saints signs-on for another season of Summer Suppers

Summer Suppers, an ecumenical project to feed the hungry during the summer months of May-September, will resume soon and All Saints has committed to participate again on the second Wednesday of each month.

The project which began four years ago with one church opening its' doors once a month has expanded dramatically and expects to have supper available every Sunday, Monday, Wednesday and Saturday throughout the summer. More than three dozen churches sent representatives to a late-February organizing meeting; a final schedule is expected by the end of the month.

A sign-up book listing opportunities for both volunteering and food donations will be available in the narthex in early April. It will replace the PADS sign-up book. Volunteers will work shifts at either 5:30 or 6:30 p.m. No training is required and Confirmation students, teens and tweens are welcome to volunteer when working with a parent. Summer Suppers is an excellent opportunity for families to volunteer together.

Similar to the way we organize to feed PADS guests, the Summer Suppers book will show needed menu items; each box on the form will indicate the number of servings. Sign-up for the amount you're comfortable donating. There is no way to forecast the number of guests we'll serve each night but for the past two summers it has been an average of 30 guests each night.

Summer Suppers will be served at All Saints on May 13, June 10, July 8, Aug. 12 and Sept. 9. The dates are the same as Holden Evening Prayer this summer and members who are coming for worship are welcome to come for summer first.
